EDUCATION

Bachelor of Technology in Computer Science,   Expected 2026
Pragati Engineering College   CGPA: 7.6

Intermediate,   2020 - 2022
M.V.R Junior College   Percentage: 82

SKILLS

Programming Languages	Java, Python, SQL
Web Technologies	HTML, CSS, JavaScript
Salesforce Development	Apex, SOQL, Lightning
Tools and Platforms	Git, GitHub, Visual Studio Code

EXPERIENCE

AWS Generative AI Virtual Internship   Jul - Sep 2025
AICTE

- Learned key Generative AI concepts, including large language models and AI content generation.
- Gained hands-on exposure to AWS AI/ML services such as SageMaker, Bedrock, and Lex.
- Applied theoretical knowledge to understand practical AI/ML workflows on AWS.

Google AI/ML Virtual Internship   Jul - Sep 2024
AICTE

- Learned AI/ML concepts including supervised and unsupervised learning.
- Used TensorFlow, Scikit-learn, and Google Cloud AI services for model deployment.
- Worked on real-world projects using TensorFlow and Scikit-learn.

PROJECTS

Weather Detection Website. Developed a web-based weather detection system using HTML, CSS, and JavaScript that integrates the OpenWeatherMap API to fetch real-time weather data. Implemented a search functionality allowing users to check weather conditions worldwide. (GitHub Repo)

To-Do List App. Developed a basic to-do list application using JavaScript. Implemented features to add and delete tasks dynamically. Used local storage to retain tasks even after page reloads. (GitHub Repo)

ApexHealth - Patient Management CRM. Developed a healthcare CRM system on Salesforce platform, using Apex, SOQL, and Lightning components. Automated patient, visit, and treatment plan management with secure OAuth integration and workflow automation, improving healthcare operations and data accuracy. (GitHub Repo)

CERTIFICATES

- **Salesforce Certified** - Platform Developer, AI Associate, Agentforce Specialist.
- **NPTEL** - DSA with Java
- **EdX Certifications** - Java

ACHIEVEMENTS

- **HackerRank** : 5★ in Python, Java, and SQL (View Profile)
- **LeetCode** : 200+ problems solved (View Profile)
